

For students in grades primary to 2, please send in 5 large zipper lock freezer bags, a box of kleenex, a package of white board markers, not dollarstore ones if possible, and a water bottle. Waterbottles are very important for **ALL students** as the school does not supply paper cups.

Students in grades 3-6 need a box of kleenex, a package of white board markers, not dollarstore ones if possible, earbuds or head phones (cheap ones please), a calculator (a cheap one will do) and a water bottle.
