# Wellness Navigation

## Wellness Navigation

- Are you feeling stressed?
- Are you struggling with your health, money, housing, or mental health?
- Do you need help finding resources?
- Do you have concerns about your child's mood or behaviour?
- Do you want to join a group or feel more connected to your community?

## What is a Navigator?

Navigators are health professionals who know health care, the greater Halifax community, and government systems. We can find the right resource for you. Navigators work with adults, children, youth, and families. Appointments can be by phone, Online Zoom or in person. **This program is available only to those living in the greater Halifax area.**

Call 902-460-4560 (press 1 for Bedford/Sackville, 2 for Chebucto, 3 for Dartmouth and 4 for Halifax) to make an appointment with a navigator.

Hearing from the communities we work with is important to us! Please visit: [YourVoiceMattersCHT.ca](https://YourVoiceMattersCHT.ca) to complete our survey.

## Beyond Weight. Shifting Focus to Health – 11 Week Program

This program supports you to shift focus away from weight as a measure of your health. In this interactive virtual group we will explore how to make lasting change in the areas of nutrition, physical activity and mental well-being. We will discuss the complexities of weight and learn strategies to support change. This program does not focus on “dieting” and individualized meal plans will not be provided. Each week you will set your own goals and make a plan to achieve them. All participants will receive an intake call prior to the start of the program to ensure this is the right program for you. **Please note:** Introduction to Beyond Weight is **not** a pre-requisite to attend this program.

## What is a Community Health Team (CHT)?

A Community Health Team (CHT) offers **free** wellness programs and services in your community. The range of programs and services offered by each CHT is shaped by what we have heard citizens need to best support their health. Your local Community Health Team:

- offers free group wellness programs at different times and community locations to make it easier for you to access sessions close to home,
- offers free wellness navigation to help you prioritize health goals and connect to the resources that you need, and
- works closely together with community organizations toward building a stronger and healthier community
- All programs are offered by healthcare professionals (physiotherapists, dietitians, social workers, occupational therapists, nurses and recreation therapists).
